"Learning Mathematics Joyfully and Meaningfully"

# Ice breaker – Math or Magic?

- IB 1
  1. Think a number
  2. Double it
  3. Add 10
  4. Halve it
  5. Take away your original number.
- May I have your answer?

# More MathMagic? – IB2

1. Write down your age.
  2. Multiply it by 20.
  3. Add on today's date
  4. Multiply by 5.
  5. Now add on your shoe size.
  6. Finally subtract 5 times today's date.
- May I have your answer?
