- ☐ Inclusive and equitable education and lifelong learning for all, using technology to improve learning outcomes.
- ☐ Train the teachers and learners to thrive in the future of Artificial Intelligence and Digital Era.

SEAMEO-Tsukuba Symposium VIII
13-14 February 2020, Tokyo Campus, University of Tsukuba, Japan

筑波大学
University of Tsukuba

If history repeats itself, most of us won't have to worry about technology killing off our jobs

how can schools adapt to these demands?

evolving with the times

understanding what is required of their future graduates
