SEAMEO SPAFA (Bangkok) / Nong Ratchawat Site (Suphan Buri)

Archaeology

SPAFA Archaeology Advanced
Field Training: Human Bone
Handling and Conservation:
Postponed to 2021

A scenic photograph of a coastal landscape at sunset. In the foreground, there is a grassy cliffside with tall, dry grasses. The middle ground shows a dark, rocky cliff edge overlooking the ocean. The sun is low on the horizon, creating a bright orange glow across the sky and reflecting on the water. The sky is filled with soft, wispy clouds. The overall mood is peaceful and contemplative.
